SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Dear Sir:

In connection with the above-identified application, Applicants attach copies of official actions received in connection with counterpart applications in Australia, Japan and Russia, together with form 1449 and copies of the foreign patent references. Applicants are not supplying copies of the United States Patent references as the office waived the requirement. The claims in the present application are believed to be patentably distinguished over these references.

This information disclosure statement is being made pursuant to the duty of disclosure imposed by law and formulated in 37 CFR §1.56(A). No representation is made that the information thus disclosed in fact constitutes prior art or that it is the closest prior art, inasmuch as 37 CFR §1.56(A) relies on a materiality concept which depends on subjectivity.

In compliance with the requirements of 37 CFR §1.98(a)(3), as a concise statement of relevance, as it is presently understood by the individual designated in 35 U.S.C. §1.56(c) most knowledgeable about the content of the information, the undersigned attorney of record submits a copies of the foreign Office Actions in which the references were cited. The relevance to the pending U.S. patent application is that the references were cited in foreign patent applications on the same subject matter. However, no independent analysis of the references, the accuracy of the statement of the foreign Examiners or the claims of the foreign applications under the laws of the country or the United States relative to the subject matter claimed in the present application has been made; the present understanding of the contents thereof by the undersigned being based on the translation of the foreign Examiners' comments submitted herewith.

Form PTO-2038 in the amount of \$180.00 is enclosed.

However, in the event there are any fees payable, please charge them to our Deposit Account No. 08-1391.

Respectfully submitted,

Norman P. Soloway
